Publishing Checklist

Discussed in Episode 7

Before publishing your book, work through these questions. Each one is a decision that is much easier to make now than to unwind later.

- [ ] Am I publishing exclusively on Amazon?
- [ ] Or do I want wide distribution?
- [ ] Have I decided who will be my publisher of record?
- [ ] Have I assigned the correct ISBN to each format?
- [ ] Am I keeping a spreadsheet of every ISBN I own?
- [ ] If using IngramSpark, have I disabled Expanded Distribution on KDP?
